

SULUGURI SAHASRA REDDY

Computer Science Engineering Student | Developer | Tech Enthusiast

Hyderabad, India | Email: your-email@example.com | GitHub: github.com/YOUR_USERNAME | LinkedIn: linkedin.com/in/YOUR_USERNAME

PROFILE

Motivated Computer Science Engineering student passionate about software development, web technologies, data structures, and emerging technologies. Interested in building practical, user-friendly applications while continuously improving programming, problem-solving, and frontend development skills.

EDUCATION

B.Tech – Computer Science and Engineering

KLH Deemed to be University, Hyderabad, India

Currently pursuing – 1st Year

TECHNICAL SKILLS

Programming: Java, Python, C

Web Development: HTML5, CSS3, JavaScript

Computer Science: Data Structures & Algorithms, Object-Oriented Programming, Problem Solving

Tools: Git, GitHub, VS Code

PROJECTS

Personal Productivity Workspace

Responsive frontend workspace for managing tasks, projects, schedules, goals, and notes using HTML, CSS, and JavaScript.

E-Commerce Shopping System

Java-based shopping system demonstrating arrays, linked lists, stacks, queues, and practical data-structure usage.

Algorithm Comparison Visualizer

Interactive interface for understanding and comparing sorting algorithms through visual representations and performance information.

CERTIFICATIONS & ACHIEVEMENTS

Add your verified certifications, hackathons, workshops, coding achievements, and academic achievements here.

CAREER OBJECTIVE

To develop strong foundations in computer science and software engineering, gain hands-on experience through meaningful projects, and grow into a skilled developer capable of creating reliable and innovative technology solutions.
